### Vicar's Message

A **big thank you to everyone** who played a part in, or prayed for, our Christmas services! I have so many happy memories from this year, and it was wonderful to see so many people take on new roles and to lead in new areas. A particular highlight for me was the family nativity service for lots of reasons, not least of which was seeing the coming together of so many teams and elements. With the Handbells, the drama led by the Thirst children, the sign language with the Explore children and lots more. Well done to everyone! **We had so very many guests across our services and at our events** and it has truly been a team effort! Well done everyone and thank you!

All that's left to do now is to **clear down the church of all our Christmas decorations**. Please come along and give us a hand with this on **Saturday 10<sup>th</sup> January between 9:30am and 12pm**.

Now that January is here I'd like to again invite you to **join with me and others from our church family to read the bible together in 2026**. By spending less than 20 minutes each day reading or listening to the bible you can get through the whole book this year. If you've never tried it before, what's stopping you for from giving it a go now?

I have made a habit of reading the bible through at least once every year, and this year my children will be joining me. This year we will be using **The Bible Recap**, one of the most popular bible reading plans. All the info you need to get started can be found on this webpage: <https://www.thebible Recap.com/start>

This features a bible in a year reading plan, accompanied by a daily *Recap* on the reading which can be accessed through YouTube, Podcast or in an app. My family will be using the Bible App to listen to bible being read, and will watch the *Recap* videos directly in the app.

### Winter Night Shelter 2025/26

Winter Night Shelter has been up and running since the middle of December. St Luke's has been one of the venues since the annexe was built 10 years ago. We will be hosting for the last 5 weeks of the shelter (Feb/March) so if anyone is interested in volunteering, please visit [renewedhope.org.uk](http://renewedhope.org.uk) and follow the link for Winter Night Shelter, where you can register as a volunteer. You will need to attend a training session which is scheduled for mid-January.

Any questions, speak to Pearl or Simon Smith who joint Venue Co-ordinators for our church.

### Holy Communion Service from Sun 11<sup>th</sup> Jan, 8.45-9.30am

Join us for a simple and traditional service of holy communion each Sunday morning except the first Sunday of the month (when we usually have Holy Communion during our 10:30am service).

The service incorporates a song (without accompaniment) and moves through a set liturgy of prayers, scripture readings and responses. There is a short talk and we conclude our service by taking communion together.

The liturgy (order of words) varies between a modern and a traditional set of words from the Book of Common Prayer (which the Church of England has been using for over 400 years).

### 3rd Sunday – 18<sup>th</sup> January

Third Sunday is a service where we seek **intimacy** and an **encounter** with our living God in more creative and open ways than we can on a Sunday morning. We meet from 7-8pm for a time of extended sung worship and prayer as we expectantly wait to hear what God is saying to us.
